## <sup>PARANORMAL</sup> A Tale of Mystery!

C.O.P.S. are a group of Correctional Officers by trade based in Eastern Ontario who try and seek out the truth behind haunted locations such as private residences, historical buildings, and places of business. We specialize in places of incarceration such as prisons, dungeons, and / or catacombs. Our goal is to provide as much evidence as possible to prove or disprove the existence of the paranormal through the use of modern equipment such as infrared and full spectrum cameras, FLIR temperature devices, EVP recorders and spirit boxes. Our investigations are conducted with honesty and integrity with the utmost respect to the client.
