

The Alnwick/Haldimand Public Library Summer Reading Club is BACK!

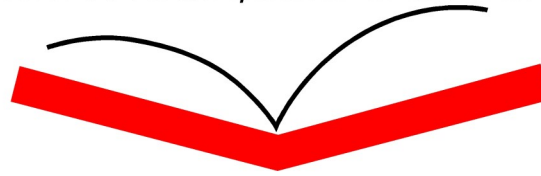

Come and create new summer memories with us!

This summer, we are going to be exploring nature and the world around us. We will "travel" around the world and discover different environments of nature.

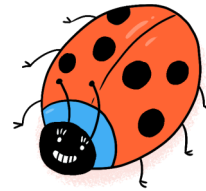

The program will run the same as previous years for the Roseneath and Centreton Branches. The Bette LeBarr (Grafton) Branch will begin at 10AM inside the library due to construction on the community room.

We look forward to seeing you as we unplug from technology and connect back with nature.
